Career Objective

Motivated and detail-oriented Information Technology student with a strong foundation in programming, web development, and modern technologies. Seeking an opportunity to apply analytical and problem-solving skills to develop innovative software solutions while continuously learning new technologies and contributing to organizational growth.

Education

Sri Manakula Vinayagar Engineering College
B.Tech (Honours) in Information Technology
CGPA: 8.76 / 10 (up to V Semester)
2023 – 2027

Nirmala Ranee Girls Higher Secondary School
Higher (HSC) – Computer Science
Percentage: 85.1 / 100
2020 – 2022

Internship Experience

Python Development Intern
Jan 2026 – Feb 2026

- Completed an internship at Cognifyz Technologies focused on Python programming and coding exercises while gaining exposure to software development practices.

Projects

AI Resume Analyzer

- Developed an AI-based resume analysis system using HTML, CSS, JavaScript and Google AI Studio.

Smart Attendance System

- Developed an AI-powered attendance system using face recognition technology to automatically detect students.

AI Travel Recommendation System

- Built a travel recommendation application suggesting destinations based on user preferences.

TicTacToe Mobile Game (Android APK)

- Developed a beginner-friendly TicTacToe mobile game with interactive gameplay and responsive UI using HTML, CSS, and JavaScript. Converted the web application into an Android APK, enabling users to install and play the game on mobile devices.

Technical Skills

Programming Languages: Python, C
Web Technologies: HTML, CSS, JavaScript
Databases: MySQL
Tools: Git, VS Code
Platforms: WebIntoApp, TinyHost

Certifications & Training

- AWS Academy Graduate – Generative AI Foundations (2026)
- Cloud Computing – NPTEL (2025)
- Industrial Training on Electric Vehicle Technology – TVS Training (2025)
- Internet of Things – Elite with Silver, NPTEL (2024)
- Diploma in Computer Application – CSC (2021)

Achievements & Activities

- Python for Machine Learning Workshop, IIT Madras Research Park (2026)
- Puduvai Youth Fest – Password Cracker Competition qualified for Round 2 (2026)
- Azure AI Yatri Day – AI and Azure technologies (2025)
- National Level Symposium – St. Joseph's College (2025)
- Vultur Cloud Innovative Hackathon – GeeksforGeeks (2024)

Languages

English (Professional Proficiency)
Tamil (Native Proficiency)
Hindi (Read & Write)
